

Day #10 of 21 Days to A Renewed Life

00:00:02 Well, good morning. Good morning to you and on the 10 half way through the transformation of the renewing of your mind Siri's that we've been on now, How many days? Well, this is the 10th day. So there's 10 days now and even prepared you the day before we started Just to have you have all the things that you needed from highlighters and, you know, notebooks and journals and Bible and even the Bible app you version. That would be a great opportunity as a tool to help you seek out scriptures that talk about just,

00:00:32 you know, uh, some of you have really enjoyed the transcripts of each one of these teachings. They are in the Web page, renewing you network. The link is right here. So all of the words I speak and all the scriptures I speak about our right there for you to download, print and utilize in any kind of study that you might use in filing up with this, along with all of the library of these particular Siri's and hundreds of other inspirations on videos that teachings that you may be able to grow off.

00:01:08 But we're talking transformation. And here's what I want you to ask yourself if you're spiritually minded and if you're here, you probably have been for a while or you are or you're seeking. And it's interesting that you think many people think they get renewed or transformed born again once and then it's all over. We're on our way to Easy Street, and we're on our way to walking through this world just, you know, living abundant life. And I'm gonna share today out of the Scriptures that our first kings,

00:01:42 she after 19 about one of the most powerful men of God in the entire Scriptures. Now, it wasn't Moses. It wasn't Jeremiah. But it was Elijah. No one performed the miracles and the things that he had performed on his life here on Earth. And he was dedicated to the fullest extent to God and to serve God. He just gave his whole life over to God. Elijah is the one that went off in a fiery chariot, didn't even didn't even experience death. But the truth of his life gives us a lesson about transformation and the need for continual renewal of the mind.

00:02:27 So let me take you there in first Kings she after 19 versus starting in 11. In fact, I would recommend you start up in verse 10. It says that he's gone through a major, major, major performance of Miracle. He brought fire down from heaven when all of Jezebel's priests, 200 of them port all day parade cut themselves, screamed at all their shenanigans and could not make fire come upon the altar.

00:03:01 If you don't know this story is, maybe you haven't read a lot of the Old Testament is a very valuable.

00:03:06 So I read the whole chapter 19 because it'll give you a perfection of you today. Now, when I get to Elijah's story in regards going into the cave and so often the relationship of what Elijah was called the man of God,

00:03:21 he performed miracles. Stop! The rain Made the rain come. I mean, this was a man Woman Doesn't matter what?

00:03:29 There wasn't one in the Bible that had this much power and connection with God except for Jesus. What happened?

00:03:38 Well, if you perform that miraculous supernatural fire from heaven, you know, took over the entire altar,

00:03:46 uh, that he had went down and actually put a trench of water around it. Just it just kind of He was like playing.

00:03:52 And he then got a word from Jezebel, the wicked queen who said I will have you dead today or let me die because I am gonna curse you.

00:04:05 I am going to kill you. And she spews all of this ugliness into his wife's ears. And he hears these words.

00:04:14 This is a man of God who talks to God. Dialogues with God performs the miracles of God. He leads his whole life for God.

00:04:22 He freaks out. He freaks completely out. He goes running into the desert. He becomes so depressed,

00:04:30 he wants to die. He actually craves and begs to die. And the angels have to come and wake him up to eat.

00:04:39 Because he's got to go on a 40 day journey, 40 Night journey. And they needed to wake up a second time to eat and get strong.

00:04:48 And he then goes off on his journey, goes into a cave and hides. You've been in a cave.

00:04:56 Have you ever been in a cave of your life? You know that dark place that that you're what was meant?

00:05:02 You're the victim. You're hurt. You're licking your wounds. All those issues and your mind is processing revenge or anger or frustration or nobody loves me.

00:05:14 You've been there. Amazing, amazing place not to be. But we learn from those places, and we all end up at times in those places.

00:05:25 That's why we need the constant renewal of our mind. Not just a one time weekend event or 21 days,

00:05:31 but the 21 days is to move. Get the momentum going to make it a part of your life.

00:05:36 When you fall in a stumble, you get renewed with the mind of Christ. First Corinthians 10:16. But let's go back to the story with Elijah.

00:05:46 He's in the cave and a voice. The voice of God comes to him and says, Listen, this guy's got such a humor and he created humor,

00:05:55 but he just exposes it through all the scripture. I just love his humor. He says. D Elijah,

00:06:01 the all knowing God alleged What are you doing here? What are you doing here in this cave? What are you doing here now?

00:06:11 He may have been talking about the cave of the framework around him. but I believe God was talking about the cave that he was in.

00:06:19 In his mind, he went from having the mind of God the mind of Christ into and back into his normal human mind with fear,

00:06:31 anxiety, worry. Boo is Mizee the tears, All those things that the human mind and the evil spirits want to create in all of us trying to be renewed trying to truly serve our life in the spiritual realm.

00:06:48 Forgot. Wow. But he says Leisure, What are you doing here? What is that lie? Just say he goes through this whole script.

00:06:55 I'm the only one. Everybody's picking on me. I do everything for God. Nobody cares about me.

00:07:02 There's nobody else but me. I am the one on earth and I'm I'm just done. They're trying to kill me.

00:07:09 That was Read it. I mean it. I may have a little animated for you, but read it and reading the message by because it has more of what I'm sharing with.

00:07:16 You're the flavor of today's contemporary understanding. Because the Bible is for today, not 2000 years ago, not a day from today,

00:07:25 but for today and for you. It is the living word to give you life to give you a renewal.

00:07:32 And if you don't have that, you're gonna be in a cave a lot longer than you want to be in a cave.

00:07:38 So he goes through this hole script and his complaints that he's the only one and God says to him,

00:07:46 Come out of the cave. Does he come out of the cave? Read the scriptures real close? No,

00:07:51 not yet. On Earth grade takes place. Ah, Hurricane takes place of winds yet store. I mean,

00:07:59 all kinds of different elements take place. And it kept saying, God voice was not in a God's voice was not in it.

00:08:06 God's voice wasn't in it. When he saw all of this, he heard that still quiet whisper of God's way.

00:08:14 Say, Elijah, come out of the cave. Come to the mouth of the cave your eyes, your throws his hoodie over the top of his head and walks out.

00:08:25 And God is there. And since again, what are you doing here? That that's a sense of humor of God a second time.

00:08:34 What are you doing here now? This this moment of performance may have taken a minute a day, I don't know,

00:08:40 but it is amazing when you take the Scriptures apart and you really see what's going on there. And he goes again and says,

00:08:47 I'm the only one. Nobody's around. I've been your man but everybody's picking on me I want to kill me And he said,

00:08:55 Elijah, here's what I want you to D'oh! He said, I have 7000 that have not about their knee prepared to work with me.

00:09:05 And with you I have your predecessor lined up, Alicia, that I want you to hand off your mantle.

00:09:13 I want you to make this one a king over this nation and this one king over that nation and destroy the enemies that need to be destroyed.

00:09:22 And Elijah recognized that he wasn't alone because what happened in that very moment his mind was opened his cocoon,

00:09:35 his cocoon opened and he became again aware and a part of the mind of Christ. He was renewed,

00:09:44 transformed and renewed his mind. Now is it the mind processing? Is it the money? The reality is your belief system rests in your soul and your spirit within you that no x ray can see And when you listen to the ways of God,

00:10:02 that voice, the word of God written the word of God in revelation level of the voice of God speaking like the gentle,

00:10:10 quiet voice of leisured. All cleanse, purify extract, wipe out clean, the slate of the thinking of human nature and any other strongholds the enemy's put there because nothing can stand up against the voice of God.

00:10:28 Nothing can stand up against the world. Got nothing into these world that we live in. We need it more than any generation,

00:10:36 including Elijah's. We need it because there's so many voices. There's so many voices there, so many opinions.

00:10:41 They're so many thoughts or so much knowledge. And that still quiet voice is still the still quiet voice that changes all things by transforming you by the renewing of your mind.

00:10:56 So what do you do with this lesson today? Well, first of all, find out if you're in a cuckoo and recognize you will be from time to time falling into that cocoon or that keep intact at a wonderful,

00:11:08 wonderful, beautiful TV personality. It's a friend of mine, came in because of incredible issue that she had a tumor of the brain that she gave us a story that was absolutely off the charts of someone who's walking through it.

00:11:24 Difficulty and she's strong is iron. But she also confessed that she many times we go down the rabbit hole.

00:11:32 She talks about the cave and should get down there. And she says, You know, you know,

00:11:36 it's not a good place to be but I'd go down there sometimes You know, when life has just gotten so far.

00:11:41 Another report comes in and she says, I take my notes when I'm in that cave. But I'm always ready to kick me yourself in the butt and get out of that cave and get back into the game.

00:11:52 And that's where we have to live. In the real world, you're gonna have good days and bad days,

00:11:58 and the closer you come to being able to connect with that voice. The closer you come to really serve depend on the power of the word to get you through a tough day to get you to those thoughts that have strongholds that may have come from your childhood.

00:12:14 Well, wherever maybe. But even after he is giving you that new life. I understand. You need to continue daily,

00:12:24 be renewed, Paul says. I need to put the old man to death. Dami So understand, in the 21 day transformation of the renewing of your mind,

00:12:37 teaching Siris, it is the build your momentum up your habit up your awareness up to get you to be going forward outside the cave to become renewed in your mind.

00:12:49 No longer thinking what's impossible for you. But what is possible with God, Understand, that's transformation. You have that in the midst of you at any moment,

00:13:04 any time that you need it. And sometimes I don't know I do. I might need it a couple times a day to be renewed.

00:13:09 Maybe the more and those really tough, challenging days that I'm really growing and becoming even a more beautiful butterfly.

00:13:17 But being in the cocoon, you transformed by coming out. And so I challenge you today, come out of the cave,

00:13:27 come out of the rabbit hole or come out of the cuckoo. Ever metaphor makes sense to you. He cast it aside and begin to have the mind of Christ by simply leaving and taking on and speaking out the words of God that are there.

00:13:45 The scripture I've got for you is there for you to look into first Kings Chapter 19. There's plenty of them.

00:13:52 And in the men in the transcripts that I haven't all the other days are right there in our website,

00:13:58 which is again Link is there for you. Share this with others and let me know. Are you getting out of the cave?

00:14:07 Halfway through 21 days? Have you been here with us? A number of days even. Have you come to the mouth of the cave?

00:14:15 Have you breached that little bit of the cocoon to be able, peek out and see It's time because you and needed your impact in the world You're impacting your family.

00:14:29 Your impact in life itself comes not from you working hard and being a good person. But being Christ like and being the love,

00:14:40 the encouragement, that kindness, the gentleness that care that the uplifting of others that you and I get from the voice of God that Elijah got from the voice of God lifting him from the cave to the mountaintop.

00:14:55 So today let's go and be transformed by the renewing of Orion, not by our strength in a bar power that by our you know,

00:15:04 do it ourselves pot of strength or thoughts. But by doing it in the spirit and with the spirit of the Lord thy God,

00:15:11 it says In Mark 10 27 what's impossible for you is possible with God. Have a beautiful day, be transformed.
