

Day #12 of 21 Days to A Renewed Life

00:00:01 Well, good morning, Christmas Week and number 12. Day of renewing your mind. I'm Geoffrey Call, and I really hope you followed some of the lessons that we've taken, not all of them. But here's what's most important. Today's lesson. The 12th lesson of renewing your mind really begins to be a product of application. Much of the 1st 10 12 days was really breaking down for you to recognize that you have thoughts going on that are not beneficial to your life. Not always bad thoughts just not beneficial.

00:00:37 And there's thoughts that go on in your mind that you don't recognize their chatter. That's going on all the time, but it's having an effect on your chemistry. It's having effect on your emotions. It's having an effect on your relationships. It's having an effect on your finances and so much more than you could ever imagine. And the Scriptures talk about how to resolve that by the renewing of your mind. But today we're gonna talk about really, how how to I really love how to I like when it's the knowledge put into action because then you've got the ability truly to recognize how to take your first step in getting that to that place that you really want to get to whether to go,

00:01:24 whether it's, you know, accomplishing a higher spiritual consciousness, whether just getting to peace. So today we're gonna talk about ah, question. My question to you is Are you filled? Who are you? Empty? Are you filled or you empty? Well, our scripture reference today is gonna be out of Luke. She after 11 versus 24 3 26 Very, very clear understanding with Jesus taught that he experienced in Matthew Chapter 41 through 11 when he was in the desert. Now let me give you that example first and come back to Luke on how you and I can fill our mind with the thoughts that the enemy cannot attack.

00:02:15 The enemy cannot rob, steal or destroys. It says in John 10 10 in Matthew Don't. As I said, Jesus just had been baptized by John. The voice of heaven came opening and loud and audible, saying this is my son. This is my only son who I am well pleased with. Listen to him. Well, I don't know if it gets any better than that, but he then goes and let is let into the desert for a 40 day fast 40 days, he fought his mind of wanting,

00:02:51 you know, toe quit 40 days. He fought his body, wanted to eat and drink 40 days. He felt the emotion in the drain of energy from the heat of the desert. Then then the enemy comes. Yes, then the enemy comes. After all of that fighting and battling when he was weak, when he was tired and when he was hungry and he began to utilize temptation, thoughts, thoughts he would give those words to his mind, to Jesus mind. And then Jesus did something to teach us today the power of truly using guard's voice,

00:03:36 God's words to cast out, to defend yourself against and to be more than a conker over any feelings, emotions, circumstances or even real life situations happening to you right now. When the devil came and said, You know your your God, son, throw yourself down. The angel take care of you, He was quoting scripture, misinterpreting but quoting Scripture, Jesus came back and used these words.

00:04:05 It is written, and he then word for word, would recite what God said about him tempt Lloyd not?

00:04:14 He then tempted him to turn the racks into food. The bread again, Jesus said. It is written and fill his mind and expelled those thoughts of hunger,

00:04:29 of wanton desire of what he wanted to have truly what God wanted for him, which is God's will.

00:04:37 But he was using God's word. He was using the Scriptures. He was using the thoughts being processed to eliminate,

00:04:43 to take captive and push out all of the thoughts that were not of God. Third time. Are you kidding me?

00:04:52 Ah, third time he comes. The devil tries to do it again. And he said the same words.

00:04:58 It is written and wonderful words come after that because that it said that the Angels came and minister to him.

00:05:06 The angels came and lifted him up and fed him anything he needed that he had that abundant life. No,

00:05:14 Jeff, you might be saying That's Jesus. That's two 1000 years ago. Well, let me court you another Scripture,

00:05:22 Hebrews. It says that Jesus the same yesterday, today and forever. His principles live forever under the foundations of everything that we do.

00:05:33 So we don't have anything new under the Sun. As Ecclesiastic says, We're fighting the same kind of battle that he did.

00:05:40 Our thoughts are created every second. In fact, more than every second is a 50,060 \$1,070,000 going on.

00:05:50 How do you take captive? Second Corinthians, Chapter 10 3 through six. How did take Capt. Of all of those that should be like You couldn't go to work.

00:05:58 You be trying to fight the battle. But now let's go over to Luke. She after 11 where the Versace and 24 20 six give us the answer to that question.

00:06:09 How do I live on everyday life and have the victory and have success and be happy and be a peace When all these thoughts and feelings and emotions are attacking me and all of my history things that I didn't do,

00:06:23 I should have done. I wanted to do. It was done to me. How do I fight all those starts?

00:06:29 Luke, Chapter 11 tells you this. Let me take you to Verse 24 he says. They went to a man and man's house,

00:06:38 and when that man's house was looked at, here's what they discovered it says when a strong man, fully armed,

00:06:46 guards his house, his possessions are safe. But when someone stronger attacks and overpowers him, he takes away his armor,

00:06:57 in which the man trusted and by divides up and spoils he who is not with us against us. And they says he goes out of 24.

00:07:08 When an evil spirit comes out of a man, it goes through arid places seeking rest and does not find it.

00:07:16 Then it says, I will return to the same house, the same mind, the same feeling, the same emotion I left.

00:07:22 When I it arise, it finds the house swept clean, put in the order. Then it goes and take seven other spirits more wicked than itself,

00:07:32 and they go in and live there. And the final condition, the man or woman is worse off than the first.

00:07:40 Those words from the N I B may not fit your mindset or today's contemporary level of understanding, so I'm gonna break it down for you.

00:07:49 How many times, If you're if you're on a diet, let's put it into real contemporary level. You're on a diet,

00:07:56 and all of a sudden that candy bar that piece of cake shows up. Two. What if you taking inventory?

00:08:04 Are the thoughts that air coming through your mind? I want that What your body's saying. Oh, that's gonna take the delicious.

00:08:13 What? You're I saying, boy, look how good that chocolate looks. And suddenly the mind in the eyes and the and the even the mouth may say,

00:08:22 I want that Those are all thoughts being processed against your decision, your will, the will that you said.

00:08:31 I want to lose weight. I want to eat, right? How do you beat that? You just Oh,

00:08:37 do use yourself will toe fight. Those thoughts were they may think that works. It doesn't because what happens is you cast it out one time.

00:08:45 Could you pass the cake you fought at the battle? And then what happens? Just like in Jesus's case in Matthew.

00:08:51 For that Dyer's IRS. Come again. The desires come again. You pass another cookie, and then somebody comes over and offers it to you on a trade at a Christmas party and its keep coming,

00:09:02 and it keeps coming, just like the seven additional spirits. So now all of a sudden, your houses,

00:09:09 field and What do you do? You take a bite, have a cookie or you take that one taste of a piece of cake.

00:09:18 And now you have a build house of the spirits and thoughts that you didn't want and you broke your commitment.

00:09:28 But what if you did what Jesus did? There's the cookie. It looks good perceptively it looks delicious in your vision.

00:09:39 You can hear everybody saying, Wow, this is great. And you begin to say, from the fullness of your heart,

00:09:48 through your mouth allowed. If you really are gonna fight the battle to win, I am no longer tempted.

00:09:58 I do not want that king. I am enjoying good health. Whatever the words represent, the commitment you made will then fill that it may come a couple of times,

00:10:13 but you will see that that continuation off affirmation of what you're believing and determined and set as a goal before you will be accomplished and it becomes easier.

00:10:27 It never becomes absolutely on autopilot, but it will become easier because you could become stronger, like Jesus did with the word.

00:10:35 Now that's an A on a human level. Eating. What about I? I hate you or no one likes me or I could never forgive you.

00:10:49 Those are the same kind of thought. So is this the same kind of feelings, but even more intensified by the evil level of spirits?

00:10:58 And now what do you do? I I'm just not loved by anybody. You need to find the scriptures.

00:11:06 And this is your homework. I'm not gonna give it to you because you need to put some work into this.

00:11:11 You gotta go. Either in. As I said, the U version Ah, Bible version free version will go into that and look up the word love loved,

00:11:22 not love. And have those scriptures pulled up for you. And then you begin to read them. What Scripture versus makes sense to you.

00:11:31 Then you write them down on a card and you put them in front of your eyes. You put them on your computer,

00:11:39 you put them on your son, you know, protector in your car. You put them wherever you possibly can You put it in your pocket.

00:11:48 And every time that you feel the voices trying to enter your house, you begin to continue to fill your house with the word of God you continue to find the words that promise you more than a conker.

00:12:04 I'm I'm loved. I'm precious and wonderfully made. Sounds 1 39 So if you had the thoughts is an example that said I am not love Nobody loves me Everybody just ignores me And you had a psalms 1 39 you cut that up like a steak and you begin to use the words as Jesus did in Matthew four.

00:12:24 Against these thoughts that are tryingto take away your renewed mind trying to captivate your mind and put it in prison and controlled by a wicked wicked level of bosses in prison guards.

00:12:40 So I'm not loved. I'm preciously and loved by God. And there's ah 100 scriptures, if not more,

00:12:48 that will relate to that. God so loved you that he gave his only begotten son Put it into a first person God so loved me that he gave Jesus If I was the only one you can you can amplify it a little bit.

00:13:02 If I was the only one on earth he would have given his son for me. You see, when you begin to fight that battle of thoughts with the thoughts of God.

00:13:12 There's no contest. There is no contest in Isaiah 55 for 69 it says. My thoughts are not your thorns,

00:13:23 says the ward. My, my thoughts are not. You thought my ways are not your ways, says a word.

00:13:29 Your thoughts and your ways are far for mine. Mine a much higher and stronger and better for you think my thoughts walk in my ways.

00:13:40 Check it out, Isaiah. 50 Fire. So understand, we've been to setting renewing the mind. The new mine happens.

00:13:49 It happens as you activate your strength, not a You know, a bell that you ring in all the you know things happen and change because you just called upon it.

00:14:00 You have to put the work into it, but the work is not your own strength or your own will.

00:14:05 It's activating the word of God. The power of the Holy Spirit lives in you. And listening to that voice continue to battle with the word of God,

00:14:14 which is the sword, which is our armor and truly utilizing in a manner that you can't be beaten.

00:14:22 Romans 8 22 30 nine You are more than a Conqueror. So when you feel being, that's the words you use when you feel that you follow behind you use the words from the scriptures that speak the truth.

00:14:37 That Abraham, in Chapter four, said, I based the fact that my body's dead. My wife's body is no longer barren,

00:14:46 but I believe by faith what God said he will do. He will do. He had a son 23 years.

00:14:56 That battle went on. Yeah, look up the history when God promised, he said. Count the stars in the sky to remind you that I said,

00:15:06 I'm gonna give you more than our springs and the stars in the sky. I could imagine the days that he kept the older.

00:15:14 He kept seeing people make fun of him when he said He's gonna have a son over and over and he continued to remind himself.

00:15:22 He continued to speak out what God said, And sure enough, the cry came from the newborn baby,

00:15:30 and there was his son, Isaac. Those are the kind of bursts and renew ALS that take place in our mind and are hurt when we really fight the battle and recognize it's a battle and It's not easy,

00:15:48 but it gets easier if we utilize the power of the spirit of God within us, working all things together for the good.

00:15:57 And what is possible is possible with God. As it says in Mark 10 20 seven, that all of a sudden the game changes and now we really do have renewal.

00:16:08 And we really have transformed from this week what was me victim mentality. Beaten, tired, sick, fearful,

00:16:19 unforgiving, unloving into this loving, compassionate kind. General good, confident, bold, strong individual walking this worth as a human but in a spiritually powerful journey with purpose.

00:16:36 It's what Paul said In Olympians three versus 12 to 14 I forgive everything is behind me either yesterday or 10 minutes ago because it's a new game.

00:16:47 Every time I bring the word of God forward, get me refocus on my go to me Be more Christ like And now get out of the way Enemy!

00:16:56 Get out! Away yet Another way, Doubt Get out of the way, Spear, Get out of the way and unforgiveness cause I'm coming through more than a conker and I can do all things through Christ who strengthens me The Libyans for 12.

00:17:11 Now this was a powerful download for you. I hope when When we put this up on my website renewing you network,

00:17:21 you'll have the transcript because they use a lot of scriptures. And again those scriptures just flow is I'm teaching.

00:17:27 I'm not planning every one of the Scriptures. I you have a Scripture verse, which is Luke, that we talked about 11 verse 20 to 24 3 20 six.

00:17:36 But the power it is within you he's laying. I'd almost the times unless you put to practice what the manual of life with the manual of life that God has given you.

00:17:49 And I that is not a book on the shelf but a book to live abundant life through by utilizing his power history.

00:17:58 Including that in your understanding or your strength, Proverbs three, five and six And truly knowing how much he loves you he will never leave you or forsake you,

00:18:07 Hebrews. 13 8 by three The power that comes to you once you are eliminated to this is what the new combined is all about.

00:18:17 But now, once that in mind takes place, it's not like it's all over. You need to continue,

00:18:23 Continue. Continue. That's what process. Pray unceasingly. What is he talking about? Just praying in our father.

00:18:30 He's saying France, usually speaking to the Lord unceasingly, speak out the word of the Lord unceasingly. You are more than a conker.

00:18:39 Go today now in this transformed renewed mind in the new thinking God's thinking in the ways that you didn't even know where existence,

00:18:48 because he's opening doors. No man, you can see or open Walk forward now. No longer veiled,

00:18:57 foolish, passive, but truly upright, strong, bold and powerful Because you are terrible. God, you are loved by God.

00:19:07 You have got living union. If you've accepted him and asked him to come live in, you done deal.

00:19:14 But now time to get to work. So let's go live a transform life. I'll see. It's where.

00:19:22 Have a beautiful day. Yeah,
